EDUCATION

Bachelor of Science in Computer Science, Queen Mary University of London

2024 – Present

Year 1 Classification: First Class Honours

SKILLS

Programming Languages	Java, Python, JavaScript, TypeScript, HTML, CSS, PHP, SQL
Frameworks & Libraries	React, Vite, React Router, Node.js, Swing
Tools & Platforms	Git/GitHub, MySQL, Docker, Figma, REST APIs
Languages	Turkish (Native), English (Fluent — C1), German (Intermediate — B1)
Soft Skills	Problem Solving, Teamwork, Communication, Peer Mentoring

PROJECTS

Happy Tails — Full-Stack Pet Care Platform

2026

React 19, Vite, Node.js, MySQL, REST API

Contributed to a full-stack platform connecting pet owners with verified pet minders, delivered as part of a team for the Software Engineering module. The system features two React front ends (a mobile web app for owners/minders and a desktop admin dashboard) backed by a custom Node.js HTTP API and a normalised MySQL schema covering bookings, payments, reviews, disputes, messaging, and incident reporting. Worked across the stack on authentication flows, booking logic, and database design.

CycleCast — Weather Web App

2026

TypeScript, React, Vite, OpenWeather API

Built a responsive weather application from a Figma design, integrating the OpenWeather API to display current conditions and forecasts with dynamic icons. Implemented in TypeScript with a component-based React architecture and Vite tooling for fast development and optimised builds.

Horse Racing Simulator

2025

Java, Swing

Developed an interactive GUI-based horse racing simulation with animated race progress, a betting system, and dynamic outcomes; reinforced object-oriented design and event-driven programming.

EXPERIENCE

Bartender / Server, Fabwick

May 2024 – Present

London, UK

- Deliver fast-paced customer service while balancing studies, developing strong communication, teamwork, and time-management skills.

ACHIEVEMENTS & ENGAGEMENT

Best Poster Award — Professional and Research Practice module, QMUL.

Provided informal peer tutoring in Procedural Programming and Logic, helping classmates strengthen coding fundamentals.

EXTRA-CURRICULAR

Directed stage productions of *West Side Story* and *The Wizard of Oz*.

Interests: guitar, reading, cycling.
